

XMAS - VI

The Sixth Xiamen Symposium on Marine Environmental Sciences

January 9th-12th, 2023
Xiamen, China

XMAS-VI Program Announcement Update

The XMAS-VI program has been published on the Conference Website: <https://melmeeting.xmu.edu.cn/xmas/session.asp>

As coronavirus continues to affect international and domestic travel, the Local Organizing Committee would like to announce that XMAS-VI will be held in a hybrid format (in person & virtually) and ALL participants can attend the symposium from Jan 9 to 12, 2023 with the updated fee payment policy. (see below *).

Keynote speeches and several side events will be livestreamed and made available for the public while sessions and workshops are limited to registered participants. Please help us spread the word.

Conference registration will remain open:

<https://melmeeting.xmu.edu.cn/xmas/Registration.asp>

*XMAS-VI Fee Payment Update

Due to the shifting coronavirus restrictions and the decision to host a hybrid (virtual and in person) conference, you may attend in one of three ways:

- 1) Virtually or online – no fee payment
- 2) Virtually or online – already paid fees can be refunded to you with submission of a refund application
- 3) Virtually or online – already paid fees will be rolled over and count towards XMAS-VII (2025). In this case, no refund will be issued at this time, but you will NOT have to pay any additional fees for your attendance at XMAS-VII.
